Type: Technical Details Consent

Proposal: Technical Details Consent following UTT/21/1188/PIP (allowed on appeal under ref:

APP/C1570/W/21/3281866 for no. residential dwellings

	Location: Summer Lodge Stanbrook Road Thaxted Resolved to object, the proposed houses are not in keeping with the existing housing within this rural hamlet. The area is well known for surface water flooding which would not be reflected in the Environment Agency assessment. It is difficult to envisage that water soaking into higher ground than the road area is going to lessen the surface water flooding which occurs from this field onto the road and down through the opposite premises gardens. This is more likely to exacerbate the problem.
