### FULL/26/02 DECLARATIONS OF INTEREST

Cllr Terry Frostick declared a non-pecuniary interest in respect of agenda item 11 (Notice to Serve – 3 Bolford Street, Thaxted).

### FULL/26/03 PUBLIC PARTICIPATION

Two members of the public were present. One member of the public addressed the Council. The speaker was uncertain whether the matter fell within the scope of the agenda but wished to record concern regarding the withdrawal of the green waste skip service from the Margaret Street car park. The chairman permitted the speaker to continue. The speaker stated that many residents had been unaware that the service was to be discontinued and expressed the view that a public committee meeting on the matter should have been held. The speaker asked the Council to consider reinstating the service and advised that a petition was being raised.

The speaker also raised concern that the change of address for the Community Hall had not been publicised on the local notice boards, such that many residents were unaware of the Council's current location. Specifically, it was noted that the notice board at Chalky Meadow contained no Parish Council notices. The speaker requested that notices be placed on notice boards near the library.

Cllr Young noted that the notice board had been out of use for some time owing to a fault. The speaker confirmed that residents remained unaware of the new hall address and that no notices had been seen.
